HOT OIL HEAD MASSAGE WITH FACIAL

This decadent head massage with a luxurious facial including gold collagen eye treatment is a must. Enjoy this beautiful facial with hot oil hair and head massage which will increase blood circulation, strengthens roots, promotes growth, decreases stress and boosts your mood.

60 min \$110

LED LIGHT THERAPY FACIAL

This facial uses Led lights to penetrate and soothe the appearance of fine lines and wrinkles, improving uneven skin tone, targeting active acne and illuminating the skin. The lights induce faster healing with uniquely coloured LED lights tailored to suit your skin. We use anti-ageing products with this facial and a gold collagen mask.

60 min \$115

RADIO-FREQUENCY FACIAL MACHINE TREATMENT

This radio-frequency procedure is a non-surgical treatment for wrinkles and facial skin imperfections. This treatment converts the electrical current to thermal energy within the dermis. The overall result tightens up the outer layers of skin and reduces wrinkling effects.

60 min \$155 including a cleansing facial

HIFU FACIAL TREATMENT

The HIFU system is the only non-surgical and non-invasive facelift procedure that uses ultrasound and your natural collagen regeneration process to lift and tighten the skin.

This intense procedure incorporates a cleansing facial using anti-ageing products and a gold collagen mask to maximise your skins potential inside and out.
